Conditional Receipt

including notices required by the
Fair Credit Reporting Act
and the
Medical Information Bureau (MIB)

The following Conditional Receipt is issued by Assurity Life Insurance Company when the full initial premium is collected from the Proposed Insured/Owner at the time the application is completed. The full initial premium may be collected when the amount of in-force and applied for individual life coverage, including the present value of future benefits of any reversionary annuity policy, with Assurity Life Insurance Company does not exceed \$500,000. This \$500,000 limit applies to applications on which the Proposed Insured has fully and accurately answered all health questions indicating no significant health problems. Individual life applications may be accepted without the health questions answered if the Proposed Insured is to be medically examined. However, in these cases, the full initial premium can be collected only when the in-force and applied for coverage, including the present value of future benefits of any reversionary annuity policy, does not exceed \$100,000 with Assurity Life Insurance Company. The full initial premium may also be collected for individual disability coverage when the amount of in-force and applied for individual disability coverage (base policy Monthly Benefits plus SDIR Monthly Benefit) with Assurity Life Insurance Company does not exceed \$2,500 per month. Applications with in-force and applied for amounts that exceed these limits, or where the Proposed Insured has significant health problems, must be handled on a Cash On Delivery (C.O.D.) basis.

In addition to the above insurance limits, issuing a Conditional Receipt requires **full modal payment** (including PAC authorization and sample check for PAC mode, if applicable). A Conditional Receipt may **not** be issued in exchange for a postdated check or a partial premium payment. **Payment in this manner in no way conditionally binds Assurity Life Insurance Company.**

Following the Conditional Receipt are two notices required to be given to the Proposed Insured. The federal **Fair Credit Reporting Act** notice explains the nature of investigative consumer reports, and explains the Proposed Insured's rights if such a report is requested. The disclosure regarding the **Medical Information Bureau (MIB)** informs the Proposed Insured of restrictions on obtaining and disclosing confidential medical information.

Conditional Receipt

Assurity Life Insurance Company • Lincoln, Nebraska

The Proposed Insured/Owner's payment of the full initial premium and acceptance of this Conditional Receipt constitutes the Proposed Insured/Owner's acceptance of its terms and conditions. Unless all terms and conditions are fulfilled exactly, no insurance will become effective prior to policy delivery. In all events, any insurance provided is subject to the stated limits. No agent is authorized to change or waive any conditions or limits. Please make **all** premium checks payable to "Assurity Life Insurance Company". Please **do not** make checks payable to the agent or leave "payee" blank.

1. The sum of \$_____ is received of _____ by Assurity Life Insurance Company ("The Company") as payment of the full initial premium on insurance applied for on this date. Payment is accepted subject to the terms and limitations of this Conditional Receipt ("Receipt"). It is expressly understood and agreed that unless all conditions set forth in this Receipt are satisfied, or that unless the coverage applied for is issued within 60 days of the date of application, no insurance shall ever take effect. In such case, the Company's only liability and obligation is to promptly refund the premium payment received.
2. If, on the applicable date, the Proposed Insured was acceptable for the plan and amount of insurance applied for, without modification, under Assurity's rules, limits and standards of insurability, coverage will be effective the later of i) the date of application, or ii) the date any medical examination of the Proposed Insured is completed, if required by the Company. Insurance will be issued at Assurity's standard premium rates applicable to the Proposed Insured's age and occupation on the applicable effective date.
- 3a. Assurity Life Insurance Company has NO liability for life insurance coverage if the answers to the health questions on the application indicate any significant health problems. Otherwise, the Company's total life insurance liability, including the present value of future benefits for any reversionary annuity policy, for all coverage previously issued by the Company to the Proposed Insured, plus all coverage applied for to the Company, including the present value of future benefits for any reversionary annuity policy, on the Proposed Insured's behalf (including that for which this Receipt is given) shall not exceed \$500,000 if all application health questions are answered, and shall not exceed \$100,000 if no application health questions are answered.
- b. Assurity Life Insurance Company has NO liability for health insurance coverage and this Receipt is void for any insurance if any health questions on the application have not been answered and no medical examination is required of the Proposed Insured. Otherwise, the Company's total health insurance liability for all coverage previously issued by the Company to the Proposed Insured, plus all coverage applied for to the Company on the Proposed Insured's behalf (including that which this Receipt is given) shall not exceed \$2,500 per month.

These limits continue until the insurance applied for is issued and delivered during the Proposed Insured's lifetime and continued good health.
4. This Receipt must not be detached and used unless the full amount of the first premium is paid on the date of the application. Payment cannot be accepted with the application if any person proposed for coverage has been treated for or had any known heart trouble, stroke or cancer within the past twelve months. This Receipt is void if exchanged for any check or draft that is not honored upon first presentation for collection through usual banking facilities.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application (*information you have furnished*), you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Assurity Life Insurance Company. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions that you may presently have (*pre-existing conditions*), may not be immediately or fully covered under the new policy, or the new policy may also provide for a waiting period for certain specified conditions. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

The above "Notice to Applicant" was delivered to me on:

_____ *Date (MM/DD/YYYY)*

_____ *Applicant's Signature and Printed Name*

**Signed form to be returned to the home office.
 Applicant to receive a copy of the signed form at the time the application is taken.**

If You are Totally Disabled at age 70 and We have paid Monthly Benefits less than the Maximum Benefit Period for such Total Disability, Monthly Benefits will continue only to the end of the Maximum Benefit Period or to Your age 71, whichever occurs first. In no event will a Monthly Benefit be paid beyond Your age 71.

PARTIAL DISABILITY BENEFIT

Monthly Benefit Payment. We will pay You 50% of the Total Disability Monthly Benefit if You are Partially Disabled. Partial Disability starts when You resume employment immediately after a paid period of Total Disability. Your employment must be for 20 hours a week or less. G. OPTIONAL BENEFIT RIDERS

The amount payable for each First Ever Diagnosis or Procedure of a Specified Critical Illness is the percentage of the benefit amount multiplied by the benefit amount. The benefit amount is shown on the rider Schedule. The percentage of the benefit amount payable for each Specified Critical Illness is shown beside the illness in the chart below.

The maximum total percentage of the benefit amount payable per category of Specified Critical Illnesses is shown in the last column of the chart below.
