Conditional Receipt

including notices required by the
Fair Credit Reporting Act
and the
Medical Information Bureau (MIB)

The following Conditional Receipt is issued by Assurity Life Insurance Company when the full initial premium is collected from the Proposed Insured/Owner at the time the application is completed. The full initial premium may be collected when the amount of in-force and applied for individual life coverage, including the present value of future benefits of any reversionary annuity policy, with Assurity Life Insurance Company does not exceed \$500,000. This \$500,000 limit applies to applications on which the Proposed Insured has fully and accurately answered all health questions indicating no significant health problems. Individual life applications may be accepted without the health questions answered if the Proposed Insured is to be medically examined. However, in these cases, the full initial premium can be collected only when the in-force and applied for coverage, including the present value of future benefits of any reversionary annuity policy, does not exceed \$100,000 with Assurity Life Insurance Company. The full initial premium may also be collected for individual disability coverage when the amount of in-force and applied for individual disability coverage (base policy Monthly Benefits plus SDIR Monthly Benefit) with Assurity Life Insurance Company does not exceed \$2,500 per month. Applications with in-force and applied for amounts that exceed these limits, or where the Proposed Insured has significant health problems, must be handled on a Cash On Delivery (C.O.D.) basis.

In addition to the above insurance limits, issuing a Conditional Receipt requires **full modal payment** (including PAC authorization and sample check for PAC mode, if applicable). A Conditional Receipt may **not** be issued in exchange for a postdated check or a partial premium payment. **Payment in this manner in no way conditionally binds Assurity Life Insurance Company.**

Following the Conditional Receipt are two notices required to be given to the Proposed Insured. The federal **Fair Credit Reporting Act** notice explains the nature of investigative consumer reports, and explains the Proposed Insured's rights if such a report is requested. The disclosure regarding the **Medical Information Bureau (MIB)** informs the Proposed Insured of restrictions on obtaining and disclosing confidential medical information.

Conditional Receipt

Assurity Life Insurance Company • Lincoln, Nebraska

The Proposed Insured/Owner's payment of the full initial premium and acceptance of this Conditional Receipt constitutes the Proposed Insured/Owner's acceptance of its terms and conditions. Unless all terms and conditions are fulfilled exactly, no insurance will become effective prior to policy delivery. In all events, any insurance provided is subject to the stated limits. No agent is authorized to change or waive any conditions or limits. Please make **all** premium checks payable to "Assurity Life Insurance Company". Please **do not** make checks payable to the agent or leave "payee" blank.

1. The sum of \$_____ is received of _____ by Assurity Life Insurance Company ("The Company") as payment of the full initial premium on insurance applied for on this date. Payment is accepted subject to the terms and limitations of this Conditional Receipt ("Receipt"). It is expressly understood and agreed that unless all conditions set forth in this Receipt are satisfied, or that unless the coverage applied for is issued within 60 days of the date of application, no insurance shall ever take effect. In such case, the Company's only liability and obligation is to promptly refund the premium payment received.
2. If, on the applicable date, the Proposed Insured was acceptable for the plan and amount of insurance applied for, without modification, under Assurity's rules, limits and standards of insurability, coverage will be effective the later of i) the date of application, or ii) the date any medical examination of the Proposed Insured is completed, if required by the Company. Insurance will be issued at Assurity's standard premium rates applicable to the Proposed Insured's age and occupation on the applicable effective date.
- 3a. Assurity Life Insurance Company has NO liability for life insurance coverage if the answers to the health questions on the application indicate any significant health problems. Otherwise, the Company's total life insurance liability, including the present value of future benefits for any reversionary annuity policy, for all coverage previously issued by the Company to the Proposed Insured, plus all coverage applied for to the Company, including the present value of future benefits for any reversionary annuity policy, on the Proposed Insured's behalf (including that for which this Receipt is given) shall not exceed \$500,000 if all application health questions are answered, and shall not exceed \$100,000 if no application health questions are answered.
- b. Assurity Life Insurance Company has NO liability for health insurance coverage and this Receipt is void for any insurance if any health questions on the application have not been answered and no medical examination is required of the Proposed Insured. Otherwise, the Company's total health insurance liability for all coverage previously issued by the Company to the Proposed Insured, plus all coverage applied for to the Company on the Proposed Insured's behalf (including that which this Receipt is given) shall not exceed \$2,500 per month.

These limits continue until the insurance applied for is issued and delivered during the Proposed Insured's lifetime and continued good health.
4. This Receipt must not be detached and used unless the full amount of the first premium is paid on the date of the application. Payment cannot be accepted with the application if any person proposed for coverage has been treated for or had any known heart trouble, stroke or cancer within the past twelve months. This Receipt is void if exchanged for any check or draft that is not honored upon first presentation for collection through usual banking facilities.

**DISCLOSURE
STATEMENT**

MODIFIED ENDOWMENT CONTRACT

The Technical and Miscellaneous Revenue Act of 1988 created a new class of life insurance contracts known as Modified Endowment Contracts. The principal purpose of this law was to restrict the use of life insurance as an investment. The law limits the amount of premium that is allowed to be paid into a life insurance contract. The allowable amount of premium is dependent on the death benefit. If the calculated premium limits (*defined in IRS code section 7702A*) for a life insurance contract are exceeded, the life insurance contract becomes a Modified Endowment Contract.

The plan of insurance exceeds the calculated allowable premium limits and would therefore be considered a Modified Endowment Contract. A policy that is a Modified Endowment Contract has the following implications:

- 1) Money distributed from a Modified Endowment Contract by cash distributions, withdrawals, loans, or assignments, will be considered taxable income until all gain, if any, has been distributed.
- 2) The taxable income amounts will also be subject to a 10 percent penalty tax unless the Owner is at least 59¹/₂ years old, becomes disabled, or annuitizes the entire cash value. (*If the Owner is a corporation, such proceeds are subject to the 10 percent penalty tax at any time.*)

Death benefits of Modified Endowment Contracts paid to the beneficiary continue to be treated as life insurance proceeds and therefore are not subject to income tax.

I acknowledge that I have read this disclosure statement and that I understand that the plan of insurance is a Modified Endowment Contract and therefore subject to special tax treatment as outlined above.

To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS particles. These tests are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids (*fats*) and screening for liver or kidney disorders, diabetes and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved in the underwriting and claims review process. Your test results will not be disclosed to your agent or broker. If the HIV test is positive, the results will be reported to the local health department or the State Department of Health, and if the insurer is a member of the Medical Information Bureau (*MIB, Inc.*) the Insurer may report the results in a generic code which signifies only nonspecific blood abnormalities. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results, or even that the tests have been done, except as may be required or permitted by law or authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer or your designated physician will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities have concluded that persons who are HIV antibody/antigen-positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice of Consent for Blood Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Assurity Life Insurance to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes:

REPLACING YOUR LIFE INSURANCE POLICY OR ANNUITY?

Are you thinking about buying a new life insurance policy or annuity and discontinuing or changing an existing one? If you are, your decision could be a good one—or a mistake. You will not know for sure unless you make a careful comparison of your existing benefits and the proposed benefits. Make sure you understand the facts. You should ask for the advice of the company or agent that sold you your existing policy to give you information concerning any proposed replacement.

As a general rule, there are disadvantages to dropping your existing life insurance or annuities. Hear both sides before you decide. That way you can be sure you are making a decision that is in your best interest.

Idaho law requires your existing company to be notified that you may be replacing their policy.

Please provide details below on policies that may be replaced.

E. TYPE OF TRANSFER

Please select one of the following options:

Please note: A transfer/surrender of a life insurance policy to an annuity, or an annuity to another annuity, qualifies as a 1035 exchange. A transfer/surrender of an annuity to a life insurance policy does NOT qualify as a 1035 exchange—any gain on your existing annuity will be subject to income tax.

- I hereby make a complete and absolute assignment (*endorsement for contracts that are not assignable*) and transfer all rights, title and interest of every nature and character in and to the above policy to the insurance company indicated above in an exchange intended to qualify under Section 1035 of the Internal Revenue Code. I represent that the above policy is not subject to any pledge, assignment, levy or legal proceeding. Upon receipt, the insurance company is directed to surrender all or part of the policy and apply the value to an annuity or life insurance policy for which I have submitted an application. I understand that by executing this assignment, I irrevocably waive all rights, claims and demands under the above policy. I am aware of all penalties which may apply.
- I acknowledge that the insurer is furnishing this form and participating in this transaction as an accommodation to me, and the indicated insurer assumes no responsibility or liability for my tax treatment under Section 1035 of the Internal Revenue Code or otherwise.

NOTICE REGARDING PARTIAL 1035 EXCHANGES AND EXCHANGES TO EXISTING CONTRACTS: Partial exchanges with subsequent withdrawals or annuitizations may be subject to IRS challenge if entered into for the purpose of avoiding premature withdrawal or other penalties. In addition, the Internal Revenue Service has not issued guidelines regarding the apportionment of basis between contracts involved in partial exchanges. Until such guidance is issued, Assurity will utilize a pro-rata formula for such apportionment. While Assurity believes this will be consistent with any IRS guidelines ultimately issued, these guidelines could mandate a different allocation method. Exchanges into existing contracts should be approached cautiously, and only after consultation with a tax advisor, since the IRS has not yet issued definitive guidance regarding the permissibility of such exchanges.
