Please read these instructions carefully before completing the form.

1. Complete **Section A** of the enclosed form to designate a change of ownership. This new designation revokes ALL previous ownership. Therefore, even if the current owner or contingent owner is to remain the same while the other is changed, such owner must be renamed on this form to remain effective.
2. Print the full names and addresses of each new owner. Be certain to include the Class, Age, Relationship to Insured and Social Security Number(s).
3. The current owner(s) and the new owner(s) must sign and date the form.
4. Complete **Section B** of the enclosed form to designate or make changes to your current beneficiary (ies). The information on this form will replace any prior beneficiary designation on your policy.
5. Print the full names and addresses of each beneficiary. Be certain to include the Relationship to Insured, \*Class, and Social Security Number(s), if available.

\*For example:

### **Class 1 = Primary**

The primary beneficiary (ies) is the person(s) or entity you choose to receive your life insurance proceeds. Payment will be made in equal shares (unless otherwise specified). In the event that a primary beneficiary predeceases the insured, the proceeds will be paid to the remaining primary beneficiaries in equal shares or all to the sole remaining primary beneficiary

### **Class 2 = Contingent**

The contingent beneficiary (ies) is the person (s) or entity you choose to receive your life insurance proceeds if the primary beneficiaries (ies) die before the insured. Payment will be made in equal shares (unless otherwise specified). In the event that a contingent beneficiary predeceases the insured, the proceeds will be paid to the remaining contingent beneficiaries in equal shares to all to the sole remaining contingent beneficiary.
